Bonnie will be talking about the ARRL and the Oregon Section. She will make some points on the value of ARRL membership, some work the ARRL board is doing that may enhance the benefits of being an affiliated club and special service club, what Jim Fenstermaker is doing for us as division director and newly elected by his board peers to be on the executive committee. She will also give some updates from Jim on work the ARRL is doing.

Bonnie has been the ARRL Oregon Section Manager since 2006. She works part-time for the Oregon State Hospital in Quality Improvement. She also teaches college classes online on Healthcare and Information Systems and Medical Law and Bioethics.

Bonnie's other hobbies include computers, music, and her cats. **Gene, K7IUN**

## FROM THE DESK

### (keyboard?) of the President

Thanks to January's JD Fort, (K7JDF) Dan Smith (KK7DS) and our own Joe Curtin (AE7LD) presentation on SOTA! Some of us might still be in shape enough to get involved! Gene has secured us Bonnie Altus AB7ZQ, the Oregon Section Manager. She will bring us up to date on League matters. See the write up elsewhere in this news letter. It is a New Year and time to renew TERAC membership. See the membership enrolment form that is in this newsletter. We are spending some money to be able to provide a LCD projector to our guest speakers instead of borrowing one from someone. This has become more and more frequent these days. Don't forget the pre meeting dinner. See you at the meeting.

**Roger, W7ADV**
